## INTRODUCTION

### Golden Packs is a Family Company with a Passion for Excellence.

We are an independent Egyptian manufacturer and converter of corrugated cardboard, cardboard boxes and other associated packaging products.

Our commitments to you are:

- Responsiveness and fast turn around of your order.
- Reliable on-time supply.
- Superior, consistent quality and customer service.
- Our best possible price.

You now have a genuine alternative for the supply of all of your corrugated packaging needs.

We make all our own board and have the ability to supply both high and low volume users.

We are experienced in supplying to a range of different customers with both individual and or special requirements.

We can also custom design and make corrugated packaging to your particular specifications

GP offers quality finished cardboard and corrugated packaging products to a diverse range of customers in a diverse range of markets.

These markets include: Fresh Fruit & Produce; Meat, Poultry & Seafood; Dairy; Confectionary; Printers; Processed Food; Wine & Beverage; Clothing & Textile; Electronics; and any Other market you might imagine.

Our extensive range includes Printed or Plain, one or two piece trays and boxes as well as some products that are custom designed to meet the specific needs of the product or process. This may include particular coatings, waxing, hand holes/vent holes and inserts to name a few.

*"We are the most responsive in our industry. Service, service, service is our philosophy."*

# About Us

WE CAN PACK ANYTHING !!!

Egyptian Canadian Co. for Manufacturing Cartons “**Golden Packs (GP)**” is a Company solely based in corrugated carton manufacturing.

**GP** has two factories working side-by-side that can output approximately 5000 tons. Monthly we are attentive in providing client satisfaction — our sales team are always on the move trying to benefit our clients with their "individual" needs.

Any leaks we find in specific corrugated processes that will help decrease cost and increase efficiency as well as provide high quality assurance — you will find us one step a head.

*"We are the most responsive in our industry. Service, service, service is our philosophy."*

**Egyptian Canadian Co. for Manufacturing Cartons** with holds the latest machinery there is, with the very highest technology. We have massive printers that have up to five colors.

All kinds of cutting utilities such as a rotary and flat die-cutter which uses the latest laser engraving machine.

# Company Protocol

## Delivery Term

Our delivery terms depend firstly on acceptance of the order status from our cost manager and client purchase manager / personnel. Secondly, orders accepted by both parties — will then coordinate with our esteemed clients logistical plan or four working days prior to order date.

## Payment Term

Payment terms are negotiated at the start of the order process between our sales manager and client purchasing personnel.

Production LT

Minimum Order Quantity (MOQ)

Under specific negotiations with clients.

Until an official product design is authorized — it will take approximately 5-7 working days until we create a flexography for the print / converting process.
